

OPTIC
TENTIC

The logo consists of two circles. The top circle is smaller and has the word "OPTIC" to its right. The bottom circle is larger and has the word "TENTIC" to its right. Two red lines connect the circles: one from the top-right of the top circle to the top-left of the bottom circle, and another from the top-right of the bottom circle to the top-left of the top circle, forming a parallelogram shape.
